The YMCA is a volunteer driven organization. We utilize volunteers in programs like YMCA sports, special events like Healthy Kids Day, and facility projects like Spring Clean-Up. We can certainly use your help!

The Findlay Y

As a member I hereby release the YMCA, its staff and board members from all claims whatsoever arising or growing out of participating by myself and my family in this facility and it's programs. I attest and verify that I have full knowledge of the risks involved while in the YMCA and its programs.

I understand that any photos taken of my participation in the YMCA daily or special events or activities may be used in publications and promotion of the YMCA.

Believing in the principles of the YMCA and understanding it to be a world wide association of members seeking to promote the building of Christian character, I hereby apply for membership in the Findlay Family YMCA and agree to abide by all the rules and regulations established by the YMCA volunteers and staff.

I understand that members who join the Findlay Family YMCA, pay in full and cancel that membership before 12 months of continuous membership has been completed, will be provided a prorated refund for the unused months, LESS the amount equivalent to one month's draft amount for that particular type of membership.

I understand that if I pay my membership fees quarterly, the Findlay Family YMCA is not permitted to refund me any of my dues if I chose to cancel my membership during those three months.

I understand that if I pay my membership fees monthly out of a checking, savings or credit card, that it is a continuous membership plan and will be in effect until cancelled in writing. I understand that members who join and pay by draft must agree to give 30 days notice of termination, in writing, to the YMCA in order to end their draft membership. If 12 months of continuous membership has not been completed, one additional month's draft will be made from your account following termination, during which time membership privileges you will not be provided.

The YMCA board may, at its discretion, adjust the monthly rate application to my membership category. I understand that I will receive prior notice. I understand that should any membership deduction not be honored by my bank for any reasons, I am still responsible for the payment, plus a service charge will be applied by the YMCA. If the YMCA is unable to collect your monthly membership fee, an outside vendor will collect the fee plus a service charge.

By signing below, I understand the terms and agreements. If doing a monthly bank draft, I authorize the Findlay YMCA to deduct my membership fees from my checking or savings account until a 30 day written notice is given.
